

Intensive Allied Health

# School Holiday Program

**6-14 year olds | For NDIS participants – 2 week Capacity building program with art, music, dance, sports and more!**

Led by our team of highly experienced allied health practitioners, this school holiday program is a fun, creative way for your kids to express themselves through a variety of projects and activities. Our goal-directed sessions include art therapy, sports therapy, dance and movement, singing and music therapy, designed to allow Participants to explore, connect with new friends, and work towards individual goal attainment whilst having fun in their school holidays!
