

MAKING PLAY DOUGH ACTIVITY

Creating playdough is a fun and educational activity that can offer various learning outcomes for children.

Ingredients:

- 2 cups of plain flour
- 4 tbsp of cream of tartar
- 2 tbsp oil
- 1 cup of cooking salt
- Food colouring
- 1 cup of water

Learning Outcomes:

- Fine & Gross motor skills
- Sensory exploration
- Language development
- Following Instructions
- Critical thinking

Instructions:

1. Place the flour, salt, oil and cream of tartar into a bowl. Stir.
2. Boil the water in a kettle and stir in slowly.
3. Place the dough on the countertop and knead until a smooth ball is formed.
4. Add food colouring and knead until the colour is mixed in.
5. Store in an airtight container after play.
